Weekly Spotlight —  
Wednesday Men's Group

*What is the history of the Wednesday night men's group?* About ten years ago, Pastor Bill Hoffman began meeting with some men of the church. When Pastor Bill was moved to a new church, Justin Peterson was tasked with leading the group. The group grew to about fifteen men. The group studied series based on movies and did a few CD series.

*What has changed or developed over the years?* Justin said, "We've been through three pastors so far and now meet at the church. Guys have come and gone but now we have settled into a pretty steady group".

*How has this group affected those who are a part or who have been a part?* We have all grown spiritually and have become really good friends. It has given some of the men the confidence to go out and lead others in faith and to Jesus.

*Who can be involved?* We're just a men's group. Any age is welcome—teens to old guys. We're just a band of happy brothers — just Christians.
