### Weekly Spotlight — Middle School MYF w/Tia DeSersa

*What were the highlights of MS MYF this past year, your second at the helm?* The canned food drive and when we made Valentine Cards for the elderly are two highlights. We had lots of good conversations about praying and about faith. We also played lots of fun games!

*How have you evolved over the course of the past year?* My relationships with the youth became more personal and that led to our conversations becoming more relevant. This helped the youth to grow more in their own faith.

*What do you look forward to this summer?* We are going to Wild Water West and we are having a game night. *(More info in the Newsletter!)* I also look forward to getting to know the incoming sixth graders.

*Any big plans for next year in MS MYF?* I am beginning to develop a project for next year that is really exciting. We are starting off with a "Marbles" series and I hope to get our Prayer House up and running.
